

Part 2 - Response

This Amendment and Response is responsive to the final office action mailed September 23, 2003. In that office action, claims 1-4, 11, 12 and 27-29 were rejected under 35 U.S.C. 102(b) as being anticipated by Lee et al (5,281,305); and claims 5-10 were allowed.

Claims 1-4, 11, 12 and 27-29 have been cancelled. It is intended that a continuation application will be filed to pursue the patentability of these claims. Cancellation of these claims is not to be construed as an acknowledgment of the lack of patentability with respect to these claims.

Upon entry of this Amendment, as permitted under 37 CFR 1.116, only allowed claims 5-10 are pending in the application. Accordingly the application is an allowable form. The Examiner is requested to contact the undersigned immediately if this is not the case.

Respectfully submitted,

Date: 11/18/03
